The Monthly Resident, Family and Staff Newsletter

Message from the Executive Director- Karima Kassam A Heartfelt Thank You

As summer comes to a close and we welcome September, many families are settling back into familiar routines with children and grandchildren returning to school. This season often brings a renewed sense of energy, learning, and connection. At Rosewood Manor, it also reminds us of the importance of community and the many generations that come together to support one another.

I would like to extend my sincere gratitude to everyone who helped make our 2026 Gratitude Celebration and Fundraiser such an incredible success.

Thanks to the generosity of our donors, sponsors, families, volunteers, staff, community partners, and friends, we not only reached our fundraising goal of **\$40,000** but exceeded it. Your support will make a meaningful difference in the lives of the residents who call Rosewood Manor home.

A special thank you to everyone who attended the event and participated in our silent auction. The enthusiasm, generosity, and community spirit demonstrated throughout the evening were truly inspiring. We are deeply grateful to the many individuals and organizations who contributed through cash donations, sponsorships, and silent auction items. Every donation, large or small, helped make the event a tremendous success and reflects the caring community that surrounds Rosewood Manor.

As we celebrate this achievement, we are also looking ahead to an exciting milestone. **Next year marks Rosewood Manor's 45th Anniversary**, and we look forward to celebrating this remarkable occasion with all of you. We hope you will join us as we honor 45 years of caring, compassion, and community.

Additional details about our 45th Anniversary celebrations and fundraising events will be shared in **Spring 2027**. On behalf of our residents, families, Board of Directors, staff, and volunteers, thank you for your continued support and commitment to Rosewood Manor.

Seasonal Viral Gastrointestinal and Respiratory Illness (VGI/VRI) Preparedness
In preparation for the upcoming VGI/VRI season, nurses have been working closely with physicians and Medisystem Pharmacy to ensure residents have up-to-date bloodwork in the event that prophylactic treatment is required during an outbreak.
Nurses will soon be contacting families to obtain consent for influenza and COVID-19 booster vaccinations. In addition, Infection Control education has been arranged for staff. This will include a review of proper hand hygiene practices and the correct application and use of PPE, provided by VCH educators.
Please be reminded to reschedule your visit to Rosewood if you are experiencing any symptoms of a gastrointestinal or respiratory illness. Thank you for helping us keep Rosewood safe and healthy for everyone.
